

## A Milestone Achieved: Celebrating Our Inclusion in DOAJ

It is with great pride that we announce the inclusion of our journal in the Directory of Open Access Journals (DOAJ), a prestigious database of high-quality, open-access, peer-reviewed journals. This milestone marks a significant achievement for our journal, recognizing our commitment to disseminating cutting-edge medical research to a global audience.

As we celebrate this achievement, we are delighted to present our latest issue, featuring 10 thought-provoking articles that showcase the latest advancements in medical research. Our authors have made significant contributions to their respective fields, and we are honored to provide a platform for their work.

In this issue, you will find a diverse range of topics, from innovative treatments and therapies to insightful reviews and case studies. Each article has undergone rigorous peer review, ensuring that the research presented meets the highest standards of quality and validity.

As we look to the future, we remain dedicated to our mission of promoting excellence in medical research and education. We are grateful for the support of our authors, reviewers, and readers, and we look forward to continuing to serve the medical community with high-quality, open-access content.

Thank you for joining us on this journey. We look forward to your continued support.
